As a leader in the education market, we welcome and invite you to participate as an Exhibitor and/or Sponsor for the 17th annual Blue Ribbon Schools of Excellence Conference. Attendees include superintendents, principals, teachers and students from K-12 schools throughout the world who are showcasing best practices and searching for successful school reform models. Last year, we had representation from 40 states and many countries!

We are excited to showcase our National Blue Ribbon Schools of Excellence Lighthouse past and 2016 winners! We will also be joined by the United States Department of Education and feature presentations by National Blue Ribbon Schools.

Your organization will have the unique opportunity to share information about your programs, products and solutions. We offer a variety of sponsorship levels, allowing you the opportunity to market your name in front of attendees and interact in many of our activities throughout this important event.
