Is It December Yet?

The Most Magical Learning Experience Awaits You At Disney!

We cannot wait for our **20th Annual Blue Ribbon Schools of Excellence Conference** in December at Walt Disney World, Florida! This conference offers opportunities to make connections with educators from around the world and to share and learn about tools and strategies to implement effective professional learning in classrooms, schools, and districts. We had over 600 attendees at last year's conference and are expecting a truly transformative event this year!

WHO should attend?

Anyone interested in learning and sharing best practices for improving schools. Educators from around the world will embark on this empowering event. Come equipped to learn, share knowledge, and gain tools to lead students into the future. You do not have to be a BRSE school to attend our conference.

Session Sneak Peak:

Under the "C" (Creating Priority Standards for "Magical Student Success")

Delaware Hayes High School has begun the journey to create priority standards for every department, for every class and for every teacher. We are working collaboratively to build a school-wide system of powerful learning outcomes. The pathway to student success has been nothing short of magical. Delaware, Ohio

"Inside Out: Learning in and Out of the Classroom"

Today's Blue Ribbon Schools understand that learning continues throughout the school day. Teachers and staff at Giant City Schools utilize an understanding of brain development to make connections across curriculum. This presentation will provide information of how teachers outside of the regular curriculum can support and expand learning, from areas such as physical education, music/art and the library. Carbondale, Illinois

"Creating a Magical Formula for Student Success"

Haysville Unified School District #261 has created a magical formula that ensures student success. Combining the best parts of Positive Behavioral Interventions and Supports, a healthy portion of Capturing Kids Hearts, a pinch of Second Step, and a sprinkling of trauma informed care creates the foundation that allows students to thrive and learn to high levels. Haysville, Kansas

Call for presenters! We are searching for the best of the best presenters to showcase best practices and effective education practices.

Submit your session proposal on our website >>
www.blueribbonschools.com

Submit your proposal to present a concurrent session and join your colleagues in exploring best practices in professional learning. The conference program offers opportunities to make connections, share and learn about tools and strategies to understand and implement effective professional learning in classrooms, schools, and districts.

Submission deadline is October 15, 2019.

We hope to incorporate more stories of schools doing excellent things in our monthly newsletters.

If you would like to share the excellent things your school is doing, send content to candice@blueribbonschools.com. Stay connected with us on social media.

Thanks for reading and stay tuned for next month's newsletter!
