Dear Award Winning Educator:

Congratulations on your distinction as an award winning principal and/or school in the United States! The Blue Ribbon Schools of Excellence, Inc. (BRSE) will host the *Annual Blue Ribbon Schools of Excellence Conference* and is pleased to announce the 2021 Call for Proposals. The proposals are now being accepted from Blue Ribbon Lighthouse Schools, National Blue Ribbon Schools and other schools identified as exemplary models of excellence. We also accept proposals from National Distinguished Principals and National and State Principals of the Year.

This event provides a forum to share models of excellence as well as best practices in key areas. You have been identified as having a best practice in one or more of these topic areas:

- Student Focus and Support
- School Organization and Culture
- Challenging Standards and Curriculum
- Active Teaching and Learning
- Technology Integration
- Professional Community
- Leadership and Vitality
- School, Family and Community Partnerships
- Indicators of Success

Our Blue Ribbon Schools of Excellence team will be available throughout this event to share information on our school improvement process as well as our tiered award Blue Ribbon Schools of Excellence Lighthouse recognition program. It is our common mission to award and celebrate models of excellence in education.

Please visit <http://blueribbonschools.com> to learn more about us and submit your proposal. For your ease, the concurrent session link is located at the very top of the website. We encourage you and/or your team to register for the full conference. The conference will provide a standard set up (LCD data/video projector and screen). You will need to provide your own laptop computer for your hour session.

I would strongly suggest you secure your hotel rooms early, as rooms at the host hotel sold out early last year. Information about Disney's Yacht & Beach Club Resorts, Port Orleans Resort, and conference registration for you and your team is available on our website. Please feel free to call me directly with any questions at (770) 773-0873 or email, judy@blueribbonschools.com.

We look forward to your proposal by the due date of October 1, 2021.
