

CALL FOR PROPOSALS

SUBMISSION DEADLINE: October 1, 2024*

***However, submissions are reviewed every Friday to allow presenters to register and secure travel plans in a timely manner**

**Disney's Coronado Springs Resort
Walt Disney World® Resort, Florida
December 2, 2024 – December 5, 2024**

Dear Award Winning Educator:

Congratulations on your distinction as an award winning principal and/or school in the United States! The Blue Ribbon Schools of Excellence, Inc. (BRSE) will host the *Annual Blue Ribbon Schools of Excellence Conference* and is pleased to announce the **2024 Call for Proposals**. This conference is designed for educators on the front lines—principals, assistant principals, superintendents, district, and state administrators, counselors and teachers. Your presentation will reach educators across the nation and will have an impact on student success nationwide.

The proposals are now being accepted from Blue Ribbon Lighthouse Schools, National Blue Ribbon Schools and other schools identified as exemplary models of excellence. We also accept proposals from National Distinguished Principals and National and State Principals of the Year.

This event provides a forum to share models of excellence as well as best practices in key areas. You have been identified as having a best practice in one or more of these topic areas:

- Student Focus and Support
- School Organization and Culture
- Challenging Standards and Curriculum
- Active Teaching and Learning
- Technology Integration
- Professional Community
- Leadership and Vitality
- School, Family and Community Partnerships
- Indicators of Success

Our Blue Ribbon Schools of Excellence team will be available throughout this event to share information on our school improvement process as well as our tiered award Blue Ribbon Schools of Excellence Lighthouse recognition program. It is our common mission to award and celebrate models of excellence in education.

Please visit **blueribbonschools.com** to learn more about us and submit your proposal. We encourage you and/or your team to register for the full conference. The conference will provide a standard set up (LCD data/video projector and screen). You will need to provide your own laptop computer for your hour session.

I would strongly suggest you secure your hotel rooms early, as rooms at the host hotel sold out early last year. Please feel free to call me directly with any questions at (770) 773-0873 or email, judy@blueribbonschools.com.

We look forward to your proposal by the due date of October 1, 2024.

Judith Warden Fields, Ed.D
