Schools of Excellence

Dear Colleague:

As a leader in the education market, we welcome and invite you to participate as an exhibitor and/or sponsor for the 26th Annual Blue Ribbon Schools of Excellence (BRSE) Conference. This is an opportunity to align your brand with BRSE, as we partner and interact with top-level education decision-makers across the country.

Our goal is to offer a valuable conference with dynamic education sessions, active networking, and one-on-one conversations with solution providers such as your organization. Attendees include over 700 superintendents, principals, teachers, and students from K-12 schools who are showcasing effective solutions and searching for successful school reform models.

Join hundreds of award-winning and aspiring schools looking for solutions. We are excited to showcase our Blue Ribbon Schools of Excellence Lighthouse past and new awardees! We will also feature presentations by National Blue Ribbon Schools.

Your organization will have the unique opportunity to share information about your programs, products and solutions. We offer a variety of sponsorship levels, allowing you the opportunity to market your name in front of attendees and interact in many of our activities throughout this important event.
